

Dear Team

We are looking for opportunities for High School Seniors . with Adolescent Chronic Fatigue Syndrome to compete by essay on their personal experience with CFS for college scholarships. We have found the NewJersey competition for seniors but it is open for New Jersey residence only. Are you aware of any other. Senior essays could be a great way to promote awareness of Adolescent Chronic Fatigue Syndrome. Our daughter Kristen Mckibben has used her experience as a center piece essay for acceptance into 3 tier one universities. Please will you let us know if you are aware of any opportunities.

Best regards and thank you for your time,

Linda Mckibben
