

I am someone who has been disabled completely by CFIDS and I request the following:

- The Committee's charter be renewed
- The committee meet Four times a year rather than just two
- Replacements for outgoing committee members be filled in a timely fashion
- Agendas be posted in a timely fashion
- Video live-streaming of the meetings be embedded in the charter
- The status of the CFSAC's recommendations be posted

Thank you for your time and attention to these matters.

Reverend Allyson K. Day

Fear is the foundation of most governments; but it is **so sordid and brutal a passion, and renders men in whose breasts it predominates so stupid and miserable**, that Americans will not be likely to approve of any political institution which is founded on it.

*John Adams, in his 1776 [Thoughts on Government](#)*
