

Hi,

My name is Toby and I am 32 years old. I have had ME/CFS for over 14 years. It has greatly impacted every area of my life. Not just the pain, fatigue, and many other symptoms. But also the financial, social and other issues as well. I can't express in words how important it is to me to find effective treatments and a cure. PLEASE do anything you can to help.

Thanks,  
Toby
