

# Healthy Teen Network's 33rd Annual National Conference

## The Power of Youth: Joining Forces to Achieve Positive Outcomes

October 16-19, 2012 · Minneapolis, MN

Healthy Teen Network's annual national conference is an opportunity to become part of a network of thousands of professionals who work on behalf of adolescents and their children to reduce the incidence of teen pregnancy, promote beneficial decisions regarding sexuality and reproductive health issues, ensure healthy pregnancies, and support teen parents to raise healthy children.

Healthy Teen Network invites you to be part of our national conference! Join us in Minneapolis, MN, October 16-19, 2012 for a conference that will expand your network, improve your resources, challenge your thinking, and provide insight into reaching today's youth.

Join Healthy Teen Network and hundreds of other adolescent health professionals as we Join Forces to Achieve

Positive Outcomes! Our 33rd annual national conference features workshops, roundtable discussions, keynote addresses, and plenary sessions. We also offer skills-building pre-conference institutes for those who want in-depth training on important topics.

The Power of Youth features advances in the fields of teen pregnancy, parenting, and prevention and offers concrete strategies to increase your ability to engage youth, as well as incorporate youth development strategies. This year's conference will celebrate empowering youth and the efforts of adolescent health professionals to collaborate with young people to improve outcomes.

*Praise for Healthy Teen Network's Annual Conference:*

**"Great presentations and workshops. Great to see models and examples of work I can bring back to my work."**

**"The entire conference was so pertinent to the work we do at my agency."**

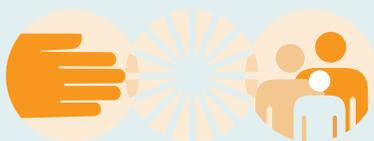

**"I attended some incredible workshops! It was great to meet colleagues from all over the country and feel connected to the national conversation."**

**"It is a great conference. Our staff appreciate the high quality workshops and interactions with other youth professionals."**

**"It is always very well planned and filled with so much information. I know a lot of that is because of your hard work in organizing all of the details."**

**"As a new CDC grantee, I had the opportunity to make some wonderful connections and obtain some valuable tools and approaches."**

**"This was my first HTN conference and I enjoyed it very much. The organization of the event was great. I look forward to being able to attend the next conference."**
