RE: Human Research Subject Protections Under Federalwide Assurance (FWA) - 6252

Dear Dr. Fleming:

Thank you for your September 15, 2010 letter in response to our July 15, 2010 letter that included questions and concerns. The information that you provided in your September 15, 2010 letter has adequately addressed our questions and concerns. As a result, our evaluation of the University of California, Berkeley (UCB) human subject protection program has been completed.

We appreciate your institution's continued commitment to the protection of human research subjects.

Sincerely,

Lisa A. Rooney
