

Office of Recovery Act Coordination

Department of Health and Human Services

Office of the Assistant Secretary for Financial Resources

Recovery Act:

Michigan Highlights

Since the enactment of the Recovery Act in 2009, the U.S. Department of Health and Human Services has made more than **\$3.8 billion in stimulus funds available in the State of Michigan*** for Community Health Centers, universities and other institutions in the State to provide fiscal relief, improve health care, expand access to health care services, provide child care and other social services for its most vulnerable citizens, establish the infrastructure for health information technology, and conduct scientific research.

This includes:

- **\$2.8 billion** for the increased Federal share (FMAP) of State Medicaid costs.
- **\$261.9 million** for scientific research, facilities, and equipment, including:
 - **\$14.8 million** for expansion of research facilities at the University of Michigan.
 - **\$7.5 million** for new nursing research facilities at Michigan State University.
- **\$232.6 million** for Temporary Assistance for Needy Families (TANF).
- **\$168.2 million** for health information technology (IT) programs, including:
 - **\$115.3 million** for Michigan's Medicaid Electronic Health Record incentive program for implementation and payments to providers and hospitals.
 - **\$16.2 million** to Southeastern Michigan Health Association to create a Beacon Community, a pilot project to lead the way for widespread meaningful use of health IT.
- **\$63.4 million** for Early Head Start and Head Start programs to expand and improve quality.
- **\$59.1 million** for the Child Care and Development Fund to increase access to child care and improve quality.
- **\$48.7 million** for Community Health Center services, construction, renovation, equipment, and health IT, including:
 - **\$11 million** for Bangor's Intercare Community Health Network and **\$1.1 million** for Detroit's Community Health and Social Services Center, both for increased demand, construction and equipment.
 - **\$2.3 million** for the Michigan Primary Care Association for health IT.
- **\$37.1 million** for the Community Services Block Grant for community action agencies to reduce poverty and help low-income people become self-sufficient.
- **\$6.6 million** to support 143 National Health Service Corps clinicians providing primary health care in Health Professional Shortage Areas.
- **\$4.1 million** for the Communities Putting Prevention to Work initiative for State efforts targeting obesity and tobacco.
- **\$3.6 million** for immunization programs.
- **\$3.2 million** for meals and nutrition services for the elderly.
- **\$2.5 million** through the Indian Health Service, including EPA funds, for facilities maintenance and improvements, equipment, sanitation facilities, and health IT.

**The total funding in this document is based on the HHS Sept. 30, 2011, Financial and Activity Report (FAR) for the Recovery Act, available at the Department's website, <http://www.hhs.gov/recovery/reports/index.html>, except for FMAP, which is based on the Oct. 21, 2011, FAR and FMAP obligations of \$376.2 million in Recovery Act funds extended by P.L. 111-226. The highlights are a selection of programs funded by the Recovery Act and do not add up to the total funding within the State. For more information about individual HHS programs and Recovery Act funding, see <http://www.hhs.gov/recovery/>.*
