

Office of Recovery Act Coordination

Department of Health and Human Services

Office of the Assistant Secretary for Financial Resources

Recovery Act:

Missouri Highlights

Since the enactment of the Recovery Act in 2009, the U.S. Department of Health and Human Services has made approximately **\$2.4 billion in stimulus funds available in the State of Missouri*** for Community Health Centers, universities and other institutions in the State to provide fiscal relief, improve and expand access to health care, provide child care and other social services for its most vulnerable citizens, establish the infrastructure for health information technology, and conduct scientific research.

This includes:

- **\$1.8 billion** for the increased Federal share (FMAP) of State Medicaid costs.
- **\$190 million** for scientific research, facilities, and equipment, including:
 - **\$14.3 million** to construct a facility for the Genome Data Center Initiative at the Washington University School of Medicine.
- **\$69.9 million** for health information technology (IT), including:
 - **\$47.9 million** for Missouri's Medicaid Electronic Health Record incentive program for implementation and payments to providers and hospitals.
 - **\$13.8 million** to the Missouri Department of Social Services to facilitate health information exchange.
 - **\$8.2 million** to the Curators of the University of Missouri, Columbia, to establish a Regional Extension Center to provide health IT support services to doctors and other providers.
- **\$49.3 million** for Temporary Assistance for Needy Families (TANF), including **\$18.4 million** for subsidized employment programs.
- **\$39.2 million** for Early Head Start and Head Start to expand services and improve quality.
- **\$39 million** for the Child Care and Development Fund to increase access to child care and improve quality.
- **\$28.7 million** for Community Health Center services, construction, renovation, equipment and health IT, including:
 - **\$2.1 million** for Model Cities Health Corp. of Kansas City and **\$1.3 million** for Samuel U. Rodgers Community Health Center, both for construction, equipment, and increased demand for services.
 - **\$1.1 million** for St. Louis Integrated Health Network for health IT.
- **\$28 million** for the Community Services Block Grant for community action agencies to help low-income residents become self-sufficient.
- **\$8 million** to support 172 National Health Service Corps clinicians providing primary health care in Health Professional Shortage Areas.
- **\$7.6 million** for the Communities Putting Prevention to Work initiative for St. Louis County tobacco prevention programs and **\$1.9 million** for State programs targeting obesity and tobacco.
- **\$2 million** to strengthen community non-profit groups that help the needy.
- **\$1.9 million** for meals and nutrition services for the elderly.
- **\$1.8 million** for immunization programs.
- **\$633,000** for chronic disease self-management programs for seniors.

**The total funding in this document is based on the HHS Sept. 30, 2011, Financial and Activity Report (FAR) for the Recovery Act, available at the Department's website, <http://www.hhs.gov/recovery/reports/index.html>, except for FMAP, which is based on the Oct. 21, 2011, FAR and FMAP obligations of \$271.4 million in Recovery Act funds extended by P.L. 111-226. The highlights are a selection of programs funded by the Recovery Act and do not add up to the total funding within the State. For more information about individual HHS programs and Recovery Act funding, see <http://www.hhs.gov/recovery/>.*
