Privacy Act Statement: This information is provided pursuant to 5 U.S.C. 552a (Privacy Act of 1974) for individuals supplying information for inclusion in a system of records. The authority to collect the information requested on this form is derived from 5 U.S.C. 7905, "Programs to encourage commuting by means other than single-occupancy motor vehicles." The primary use of the information is by the PSC Administrative Operations Service staff to manage and evaluate participation in the PSC Transshare Program. Information from these records may be disclosed outside the Department as follows: to appropriate Federal, state or local agencies responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, regulations or orders when HHS becomes aware of evidence of a potential violation of civil or criminal law; to a congressional office from the record of an individual in response to a verified inquiry from that congressional office made at the written request of that individual; to the Department of Justice (DOJ) where DOJ has agreed to represent the Federal government, HHS or employees of HHS in case of lawsuit; to a contractor when HHS contracts with a private firm for the purpose of collating, analyzing, aggregating, or otherwise refining records in this system; to officials of labor organizations recognized under 5 U.S.C. Chapter 71 when relevant and necessary to their duties of exclusive representation, concerning personnel policies, practices, and matters affecting working conditions; to organizations deemed qualified by the Secretary to carry out quality assessments or utilization review; and HHS may disclose statistical reports containing information from this system of records to city, county, state, and Federal government agencies (including the General Accounting Office). Furnishing the information on this form is entirely voluntary; however, failure to do so will result in ineligibility to participate in the PSC Transshare Program.
