

PSC TRANSHARE PROGRAM

ADDING FARE TO YOUR SMARTTRIP CARD WITH THE GO!card

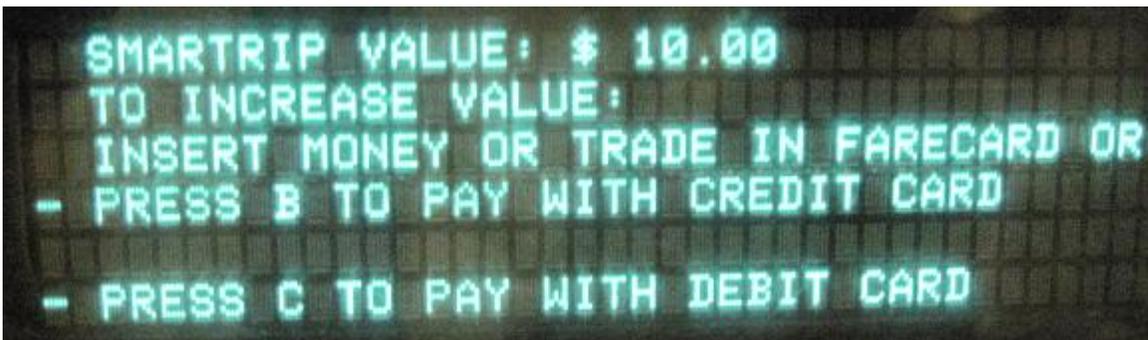

1) Once you have obtained your Go!Card, visit the Metro subway station of your choice and locate a fare machine with a SmarTrip card reader. Touch your SmarTrip card to the circular target. The screen will display the current balance of your SmarTrip card.

(2) Press **B** (Add Value).

(3) On the next screen, Press **B** (To Pay with Credit Card).

(4) The next screen will show the total cost which is the amount of benefits you will be adding to your SmarTrip card. Total SmarTrip value shows how much will be on your card after you Add Value. The machine defaults to \$20.00 as the added amount. Press the \$ and ¢ keys to change the balance to transfer to your SmarTrip card. After choosing a value, press **C** to complete your benefit claim.

(5) The next step will be to Insert your Go!Card into the designated credit card slot and then quickly remove. After your GO!card has been recognized by the machine, the screen will ask if you would like a receipt. Press **B** for Yes, **C** for no.

(6) Finalize your benefit claim by touching your SmarTrip card to the circular target one more time. This completes the transaction.
