

## ***Teenage Pregnancy Prevention: Replication of Evidence-based Programs***

### ***Appendix A – List of Evidence-based Program Models***

Program models listed in Appendix A are eligible for replication under this funding announcement. Applicants that wish to replicate a program that is not on the list in Appendix A, may apply to do so, but a set of stringent criteria must be met. More detailed information about the review process and the programs eligible for replication is available at:

<http://www.hhs.gov/ophs/oah>. This information includes: 1) the individual interventions identified as curriculum or youth development models that meet the evidence-based standard required for funding under this FOA, 2) an executive summary, 3) a technical review summary with includes a detailed explanation of how the review was conducted and the criteria used, 4) individual implementation reports for each program identified as meeting the evidence base, and 5) a searchable database of studies that were reviewed.
