

Which Type of Love? Fictional Characters worksheet

Directions: Consider Robert Sternberg's Triangular Theory of Love. Write the name/s of the fictional character/s who best exemplifies this type of love.

- Non-love (absence of 3 building blocks of love)
- Liking (friendships)
- Infatuation (passion only)
- Empty love (commitment only)
- Romantic love (passion and intimacy)
- Companionate love (intimacy and commitment)
- Fatuous love (passion and commitment)
- Consummate love (passion, intimacy, and commitment...the ideal form)
