Potential Adaptations

This document includes examples of adaptations that have been previously implemented by OAH grantees. Grantees should keep in mind that all potential adaptations should be discussed with their project officer, and may need OAH approval. Potential adaptations involving medical information will require a medical accuracy review and need to be approved by OAH.

Program Delivery

- Setting
  - Implement SHARP in housing communities and other juvenile justice centers.*

- Technology
  - Youth Services of Tulsa revised the SHARP videos in 2014 using OAH funding to make them more appropriate for implementation in community and school settings and more relevant for participants. Please contact Gabe Lowe (glowe@yst.org) for more information on these videos.*

- Minor adaptations are those that do not significantly affect the core components.
- Major adaptations are those that significantly change the core components. Major adaptations can compromise fidelity and may reduce the impact of the program on intended outcomes.

*Indicates a major adaptation
