Activity 3: Promoting Leadership Development

**Instructions**: Use the following graphic to consider how you can build knowledge and capacity amongst your leadership team.

1. **Determine what leadership skills trainings may be useful for leadership team members.**
2. **Create peer-to-peer learning opportunities to increase leadership team capacities and strengthen relationships with community champions.**
3. **Assess whether those trainings can be offered in-house or through a community training or conference event.**
4. **Build relationships with potential community champions through shared leadership development opportunities.**
5. **Consider whether creating a mentorship or shadowing program would promote leadership skill building.**
