

HHS Office of Adolescent Health Teen Pregnancy Prevention Program

Teens Reached

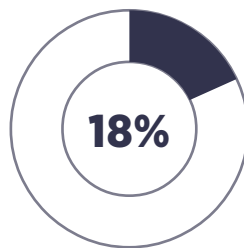

The OAH Teen Pregnancy Prevention (TPP) Program funds grants focused on communities with the greatest need and most vulnerable youth.

From Fiscal Year 2010–2014, the OAH TPP Program reached half a million youth in 39 states and Washington, D.C.

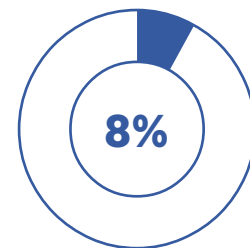

Teens reached:

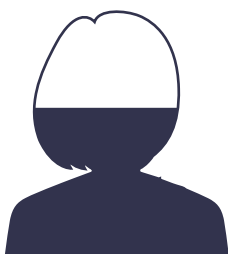

14 or younger

age 15-16

age 17-19

37% Hispanic

30% Black

23% White

Between FY2015-2019, the OAH TPP Program anticipates reaching 1.2 million youth in 39 states and the Marshall Islands.
