## Introduction

The Part D Payment Process Support (“Payment Support”) Web Portal features tools for obtaining project<sup>1</sup>-related files and discussing project-related matters with Medicare Part D sponsors, CMS, and Acumen.

To familiarize you with these Portal resources, this *Payment Support Web Portal: Getting Started Guide* contains high-level instructions for:

- accessing the Portal<sup>2</sup> (Web Portal Access);
- using topic tools to:
  - upload, submit, and track reopening requests (Reopening Request Tools);
  - access information on project-related topics (Topic Management Tools);
  - download and upload sensitive files and general reference documents (File Transfer Tools);
  - discuss project-related matters with Acumen, CMS, and/or other project participants online (Discussion Tools); and
- employing user settings tools to manage your account information, including acquiring your download password for topic-related files (User Settings).

For more detailed Portal instructions, refer to the *Payment Support Web Portal: User Guide* that you received as part of your Portal welcome materials.

For general Web Portal assistance, contact Website Support at [WebAssistance@AcumenLLC.com](mailto:WebAssistance@AcumenLLC.com).
