1. Introduction

The Centers for Medicare & Medicaid Services (CMS) requires all issuers offering or providing coverage through PPACA-compliant individual or small group health insurance to provide information related to their active markets and EDGE server participation. This information allows CMS to determine issuers participating in the PPACA Risk Adjustment program.

The BY 2020 EDGE Server Status Web Form is available beginning July 13, 2020 and must be completed by July 24, 2020 at 11:59 PM ET. The web form allows issuers to:

- Indicate Market participation status in the individual and small group markets
- Identify small group rollover only plans within the small group market
- Provide an explanation as to why data will not be submitted for the identified HIOS ID(s) by market, when applicable

EDGE Server Status Web Form Guide

The BY 2020 EDGE Server Status Web Form link will be emailed to FM Users. Since the form must be completed in one session, CMS highly recommends gathering all information before starting the form and checking your Contact Information to ensure it is correct. In the FM Community, select the Maintenance tab, then select the Modify User List button to update the information, if necessary.

This document is a step-by-step guide for how to log in, complete, and submit the BY 2020 EDGE Server Status Web Form for the 2020 benefit year.

- Issuer Legal Business Name (LBN)
- Exchange Type (On-Exchange, Off-Exchange)
- Metal level (Catastrophic, Bronze, Silver, Gold, Platinum, etc.)
- Rating area
- Marketplace Plan Data (Data submission information)

Follow these steps to complete the *Small Group Rollover Only SCID/Plan Variant/Rating Area Combinations/HIOS IDs* page:

Note: The Small Group Rollover Only SCID/Plan Variant/Rating Area Combinations/HIOS IDs page is only available if your company has small group rollover only plans.
