Issuer Notifications: Updating IC834 Contacts

Inbound834 (IC834) Contacts

- Issuer Organization and Clearinghouse members may be contacted through Inbound834@bah.com with notifications for high volume failure, low success rates, and summary reports based on weekly Inbound 834 submissions
- CMS encourages Issuers to identify key technical POCs to receive both outreach communications and performance reports so any errors received for failed transactions can be corrected and resubmitted for application in the Marketplace
- To update the contact list for your HIOS IDs (add or remove members), please follow one of the two options listed below:
 - Create and send an updated EDI onboarding form or;
 - Send an e-mail to Inbound834@bah.com with the new contact addresses

2019 Prep: Updated Recon Technical Contacts Needed

Enrollment Data Reconciliation Technical Contacts

- Reconciliation Technical Contacts for your organization will be contacted by CMS resources in regard to any technical issues identified in Issuer-submitted Inbound Reconciliation (RCNI) Files
- Please designate a primary and secondary contact or group e-mail address to ensure any issues can be addressed in a timely fashion
- To submit the Enrollment Data Reconciliation Technical Contacts to CMS:
 - Send an e-mail to the Help Desk (cms_feps@cms.hhs.gov) with the subject line “RECONCILIATION – TECHNICAL CONTACTS”
 - Please include the name, e-mail address, and business telephone number for each contact provided

Enrollment Resolution & Reconciliation (ER&R) Contacts

- Cognosante, the Marketplace Enrollment Resolution & Reconciliation (ER&R) contractor, will be responsible for conducting analysis to resolve discrepancies between data provided by Issuers and FFM data
- As direct contact with the Issuers may often prove to be the most reliable method of resolving issues, CMS is requesting that each Issuer provide a primary and secondary contact with whom the ER&R contractor can have direct communications
- If there are distinct contacts for different lines of business within the Issuer organization, please clearly identify which contacts are appropriate for each HIOS ID and/or QHP ID
- The requested contacts are to be individuals able to assist in resolving conflicts with member information; **these individuals are more likely to be business end-users rather than EDI or IT representatives**
- To submit the Enrollment Resolution & Reconciliation Contacts to CMS:
 - Send an e-mail to the Help Desk (cms_feps@cms.hhs.gov) with the subject line "RECONCILIATION – ERR CONTACTS"
 - Please include the name, e-mail address, and business telephone number for each contact provided
