AV Calculator: Validations

- The Plans and Benefits template will be updated to validate that the user selected the Plan Year 2020 AVC based on the major version number in the stand-alone AVC.

How to Match AVs Between AV Calculator and Plan & Benefits Template

1. Calculate the plan's AV in the Stand-Alone AV Calculator and save the screenshot.
2. Calculate the plan's AV in the Plan & Benefits Template and save the screenshot.
3. Compare the two screenshots in steps 1 and 2 line by line and the user will eventually find the difference in calculation.
