The information provided in this presentation is not intended to take the place of the statutes, regulations, and formal policy guidance that it is based upon. This material summarizes current policy and operations as of the date it was uploaded to REGTAP. Links to certain source documents may have been provided for your reference. We encourage persons taking the course to refer to the applicable statutes, regulations, and other interpretive materials for complete and current information

This communication was printed, published, or produced and disseminated at U.S. taxpayer expense.

2019 Reinstatements After BAR

- CMS has identified consumers whose 2019 health plan enrollments were reinstated through Reconciliation or disputes after BAR ended but who are not enrolled in a 2020 health plan.
 - CMS is tagging the consumer's Marketplace account with an SEP to allow them to enroll in 2020 coverage. Enrollees who want to access the SEP must contact the FFM Call Center.
 - Issuers with enrollees who enroll under the SEP will get an 834 transaction with a prospective date (and potentially a HICS case to make it retroactive to January 1, 2020, at enrollee's option).
 - Issuers were sent an EFT file of those who are impacted on **Monday, January 27**, along with an email communication including the filename.
 - The EFT file included policies reinstated both through Reconciliation and disputes.
 - The EFT file was transmitted using the IOUTRC function code.
 - Issuers are encouraged to complete outreach and notify the consumers on the IOUTRC file that they may contact the FFM Call Center to enroll in a 2020 plan.
