Same-Day Voluntary Terminations

First Open Enrollment Period (OEP) with Same-day Voluntary Terminations Available to Enrollees

- A change in the 2019 Payment Notice provides Exchanges the option to allow enrollees to elect same-day policy terminations, replacing the 14-day "reasonable notice" period
- The FFEs have elected to begin offering same-day policy terminations on July 27, 2018
  - In 'MyAccount', when terminating coverage for all enrollees on an application, there will no longer be 14 days "grayed out" and unable to be changed on the date picker. Rather, enrollees will be able to select the present date or another date in the future as their termination date.
  - Functionality for policies where coverage is ending for some but not all enrollees has always permitted coverage to end the day the enrollee requests the change (sometimes with a HICS case to move the termination date); the new policy and functionality permits same-day terminations for *entire* policies
  - The correct termination date of the entire policy, whether it is same day or in the future, at the enrollee's option, will be identified on the 834 transaction (termination for some enrollees on a policy, but not the entire policy, may still require HICS to move the termination date)
