* Part D sponsors may continue to report discounts to CMS for thirty-seven (37) months following the end of the benefit year. This coincides with the end of January in Q17. The Invoicing Reporting Period for Q17 ends on January 31 of each year, even though the invoice for this quarter is delivered on April 30. It will include only PDEs submitted through January 31. Any updates to labeler codes for Q17 must be submitted 5 business days prior to January 1 in order to be in effect for the final month of Q17.   Refer to the CGDP Calendar on the TPA site for additional information on CGDP calendar dates.
