Review Tool Technical Assistance Outreach Sessions

- Marketplace Plan Management Group (MPMG) is offering all issuers review tool technical assistance sessions with Center for Consumer Information and Insurance Oversight (CCIIO) subject matter experts (SMEs) before the initial PY 2018 submission window closes on June 21, 2017.
 - Issuers can request calls with CCIIO SMEs from April 27th to June 14th.
- These outreach sessions will provide issuers with an opportunity:
 - To share their review tool results,
 - Discuss review areas with CCIIO SME(s), and
 - Receive answers to any questions while finalizing templates.
- Please request a review tool technical assistance session here:
<https://www.qhpcertification.cms.gov/outreachform>
- Issuers may also request Plan Preview training once their application is submitted.

Locating the Review Tool Technical Assistance Outreach Form

- To locate the Review Tool Technical Assistance Outreach form, please go to www.qhpcertification.cms.gov and click “Application Materials”.

- After clicking “Application Materials”, click “Review Tools” located on the right side-bar.

The screenshot shows the homepage of the QHP Qualified Health Plan Certification website. The header includes the QHP logo, the text "Qualified Health Plan Certification Information and Guidance", and navigation links for LOGIN and EMAIL UPDATES. A dark blue navigation bar contains links for HOME, ABOUT THE MARKETPLACE, APPLICATION MATERIALS (highlighted with a red box), CERTIFICATION & FORMS, and FAQs. The main content area features a "Welcome to the Qualified Health Plan Website" section with introductory text. Below this is a "QHP Submission Timeline Overview" with a horizontal timeline showing key dates from 5/10/17 to 11/1/17, including the initial application window, CMS sending notices, deadlines for petitions and applications, and the start of open enrollment. A "News and Updates" section at the bottom left mentions an April 5, 2017 update regarding a correction window for issuers.

This screenshot displays the "Application Materials" page. The navigation bar is identical to the previous page, with "APPLICATION MATERIALS" selected. The page title is "Application Materials". The main content area explains that the QHP Application consists of 14 sections, each with templates and instructions. A list of "Application Sections" is provided, including Accreditation, Administrative, Business Rules, ECP and Network Adequacy, Licensure and Good Standing, Plan Crosswalk, Plans and Benefits, Prescription Drugs, Program Attestations, Quality Improvement, Quality Rating, Rates, Service Area, Unified Rate Review, and Review Tools. A red arrow points from the "Review Tools" link in the left sidebar to a secondary menu on the right. This secondary menu lists "Rates", "Service Area", "Unified Rate Review", "Review Tools" (highlighted with a red box), "Submission Checklist", and "Application Submission".

Locating the Review Tool Technical Assistance Outreach Form (continued)

- On the Review Tools page, you will find review tool technical assistance instructions and a link to the request form.

The screenshot shows the 'QHP Qualified Health Plan Certification Information and Guidance' website. The 'Application Materials' tab is selected, leading to the 'Review Tools' page. A sidebar on the left lists various application areas, with 'Review Tools' highlighted. The main content area, titled 'Review Tools', explains that CMS provides review tools to check plans for errors. It lists several tools: Data Integrity Tool (DIT), Master Review Tool, Automated Review Tools (including Cost Sharing Tool, Meaningful Difference Tool, ECP Tool, SADP ECP Tool, Non-Discrimination Tool, Formulary Review Suite Tool, Instructions for Formulary Review Suite, and Plan Crosswalk Validation Tool), Drug Count Tool, EHB Rx Crosswalk, Rx Norm Data File, and EHB Rx Crosswalk Methodology. A red box highlights the 'Review Tool Technical Assistance Outreach Initiative' section, which states that CMS is offering a new initiative for PY2018 and provides a link to the request form. A red arrow points from this box to a text box at the bottom of the slide.

Review Tools

CMS provides issuers a number of review tools to check their plans for errors within the QHP Application that would result in correction notices following submission. Issuers are encouraged to use these tools to identify and correct data errors before uploading materials to HIOS or SERFF. At a minimum, issuers should refer to the Data Integrity Tool (DIT) and its supporting documents, but all QHP Application Review Tools can help prevent issues with application data:

- [Data Integrity Tool \(DIT\)](#)
- [Master Review Tool](#)
- [Automated Review Tools](#) - this zip file contains the following tools:
 - Cost Sharing Tool
 - Meaningful Difference Tool
 - Essential Community Providers (ECP) Tool (Updated April 24, 2017)
 - Stand-alone Dental Plan (SADP) ECP Tool (Updated April 24, 2017)
 - Non-Discrimination Tool
 - Formulary Review Suite Tool
 - Instructions for Formulary Review Suite
 - Plan Crosswalk Validation Tool
- [Drug Count Tool](#)
- [EHB Rx Crosswalk](#)
- [Rx Norm Data File](#)
- [EHB Rx Crosswalk Methodology](#)

Review Tool Technical Assistance Outreach Initiative

CMS is offering a new review tool technical assistance outreach initiative for PY2018. This initiative allows issuers to ask CMS questions pertaining to their review tool findings while they complete and test their templates, before the initial submission window closes on June 21, 2017.

To request a review tool technical assistance session with CMS, please submit the [review tool technical assistance outreach initiative request form](#).

Please note a technical assistance session will not be scheduled unless the review tool with results is included in your request.

QHP Application Review Tools Overview

The QHP Application Review Tools Overview below provides a high-level description of each tool's functionality as well as each tool's key updates for 2018.

[Data Integrity Tool](#)

To request a review tool technical assistance session with CMS, please submit the [review tool technical assistance outreach initiative request form](#).

- After clicking the request form link, issuers may fill out each field, including uploading their review tool in a zip file format.

The screenshot shows the 'Review Tool Technical Assistance Outreach Initiative' request form. It includes fields for Issuer Name, Issuer ID(s), Duration Requested (a dropdown menu), Issuer Point of Contact(s), and Issuer Email Contact(s). There is a section for Review Areas (Hold CTRL to select multiple) with a list of options: Plans & Benefits, Business Rules, ECP/Network Adequacy, Prescription Drug, Plan Crosswalk, Service Area, and Rates Table. A Zip Folder Containing your Review Tools section has a 'Choose File' button and a 'No file chosen' status. A 'SUBMIT' button is at the bottom.

CMS is offering a new review tool technical assistance outreach initiative for PY2018.

This initiative allows issuers to ask CMS questions pertaining to their review tool findings while they complete and test their templates, before the initial submission window closes on June 21, 2017.

To request a review tool technical assistance session with CMS, please submit the following information:

Issuer Name:

Issuer ID(s):

Duration Requested:

Issuer Point of Contact(s):

Issuer Email Contact(s):

Review Areas (Hold CTRL to select multiple):

Zip Folder Containing your Review Tools: No file chosen

- After your request is received and processed, CMS will send an Outlook meeting invite from QHP_Applications@cms.hhs.gov to the provided email addresses in your submission.

***Issuers will only receive a DIT Notice from CMS

QHP Notices – Quick Reference

Correction/Data Integrity

- Lists required corrections to the content of QHP Applications, in order to comply with certification standards.
- Summarizes critical data errors that could lead to exclusion or incorrect display of plan information to consumers, or regulatory non-compliance.

Plan ID Crosswalk

- Includes required corrections to the Plan ID Crosswalk Template before CMS may process auto-enrollments for PY 2018.

Plan ID Crosswalk Validation

- Contains the most recent version of an issuer's Plan ID Crosswalk Template that CMS has on file. Issuers should reply to CMS and indicate it is the file that should be used for auto-enrollment.

Final Correction Notice

- Notifies issuers of outstanding corrections required to issuers' QHP Application before they may be certified and/or displayed on HealthCare.gov.
- Contains final plan list to be returned to CMS, confirming which plans should be available through the Marketplace.
- Contains instructions for all issuers regarding the process for signing the QHP Agreement.

Certification

- Lists final certified QHPs for PY 2018 and CMS-countersigned QHP Agreements.

QHP Notices - Key Issuer Outreach Dates

Notice	Outreach Date	Issuer Response Requested
First Correction/Data Integrity	8/2/2017	No. Make Corrections to QHP Application, if applicable.
First Plan ID Crosswalk	8/2/2017	No. Make changes and resubmit Plan ID Crosswalk Template, if applicable.
Final Correction/Data Integrity	9/14/2017	Yes. Reply to Correction Notice and indicate whether the issuer will make the required changes. Also complete and return final plan list and QHP Agreement to CMS, if applicable.
Plan ID Crosswalk Validation	9/22/2017	Yes. Validate CMS has correct template on file, or make changes and resubmit Plan ID Crosswalk Template.
Certification	10/12/2017	Yes. Return Table and QHP Agreement to CMS, if applicable.

CMS Review of QHP Application Data

- CMS conducts three types of reviews on issuers' application data:
 - **Data integrity (DIT)** reviews identify critical data errors that could lead to incorrect display of plan information to consumers, or regulatory non-compliance.
 - **Certification reviews** ensure each issuer's QHP Application is compliant with Patient Protection and Affordable Care Act (ACA) requirements before they can be offered to consumers on HealthCare.gov.
 - **Plan Crosswalk reviews** confirm that issuers in Federally-facilitated Marketplace (FFM), FFM States performing Plan Management activities (SPM), and State-based Marketplaces using the Federal Platform (SBM-FP) states that offered on-Marketplace plans in 2017 successfully maps to a 2018 Plan ID to ensure guaranteed renewability for consumers.
- Review results for each of these three areas are distributed to issuers via Excel attachments in their official notices.

QHP Notice Recipients

- Notices are sent to Health Insurance Oversight System (HIOS) users with the following roles in HIOS:
 - QHPAttester
 - QHPValidator
 - QHPSubmitter
- Only contacts for these HIOS user roles will receive notice information.
- Notices are sent to all issuers via email with an embedded link to an Excel spreadsheet, regardless of whether CMS identified needed corrections.
 - Note: Issuers participating in the Plan Management (PM) Community will receive notices within the Community; additional guidance on accessing these notices will be given in the Community training sessions.

Receiving QHP Notices

- Issuers should immediately contact issuers' CMS Account Manager (AM) if a notice is not received by 11:59 PM ET on the expected date.
- Issuers can refer to the [QHP Application Notices](#) page on the QHP website for help understanding corrections or errors identified.
- For additional questions, issuers can call the Exchange Operations Support Center (XOSC) Help Desk at 1-855-CMS-1515, or submit a Help Desk ticket to CMS_FEPS@cms.hhs.gov. The ticket should specify the correction or error code and describe specific questions about corrective action. Do not include the entire notice.
- For System for Electronic Rate and Form Filing (SERFF)-specific questions, issuers may also call the SERFF Help Desk at 816-783-8990.

Reviewing CMS Notices

- Open and review all notice attachments in their entirety upon receipt.
- CMS will note the cutoff date for the data reviewed for each notice.
- Direct any questions regarding notice(s) to the XOSC Help Desk as soon as possible.

Addressing Correction/Data Integrity Notices

- Issuers must address issues CMS identifies by either:
 - Correcting the relevant data; or
 - Providing adequate justification to demonstrate that corrections are not required and the application meets all certification standards.
- All corrections and errors identified must be addressed before the plan can be certified and/or available on HealthCare.gov.
- If the notice does not include any CMS-identified corrections, no changes to the application are necessary unless required by a state regulator (or CMS in a CMS direct enforcement state).

Overview of PY 2018 Plan Confirmation

Initial Issuer Plan Confirmation Notice

- After the initial submission window deadline, issuers will receive a list of all the QHPs, including Stand-alone Dental Plans (SADPs), CMS received during the initial submission window.
- This phase of plan confirmation will allow issuers to review the list of plans CMS will review for 2018 QHP certification, immediately after the initial data submission deadline.
 - **Note:** Issuers participating in the PM Community will receive lists and respond as needed within the Community; additional guidance on completing this process will be given in the Community training sessions.
- **Date CMS sends lists: June 30, 2017**
- **Recipients:**
 - Designated issuer contacts in FFM states, states performing plan management functions in the FFM, and SBM-FP states with an active QHP Application.
- Any plans submitted after June 21, 2017 will not be reviewed for QHP certification.

Initial Issuer Plan Confirmation Notice (Continued)

Issuer Action

- This notice asks issuers to review the list of submitted plans for accuracy and completeness, which CMS will review for CMS certification.
- If the list is accurate and complete, no further action is needed.
- **If the issuer has any concerns with the plan IDs listed, the issuer must respond to QHP_Applications@cms.hhs.gov within 48 hours of receipt of the Plan Confirmation Notice.**
 - The issuer should include a brief description of the issue in its response.
- Issuers should contact issuers' AM if issuers have not received the notice by 11:59 PM ET on June 30, 2017.

Final Plan Confirmation & Correction Notice

- After the final data submission deadline, issuers will receive a list of all the QHPs, including SADPs, that the issuer submitted for certification for PY 2018.
- This phase of plan confirmation will allow issuers to review and confirm the final list that should be available through the Marketplace for PY 2018.
- **CMS sends lists: September 14, 2017**
- **Recipients:**
 - Designated issuer contacts in FFM states, states performing plan management functions in the FFM, and SBM-FP states with an active QHP Application.
