Title: July 2018 State Department of Insurance (DOI) Contact List for Reporting Agent and Broker Fraud

The Centers for Medicare & Medicaid Services (CMS), in coordination with the National Association of Insurance Commissioners (NAIC), is making a state Department of Insurance (DOI) Contact List ("State DOI Contact List") available as a resource to DE Entities (qualified health plan [QHP] issuers and web-brokers). DE Entities should use this list to contact state DOI representatives to report potential fraud by agents and brokers the DE Entities are working with.

The list contains the names and email addresses for contacts within the state DOI for states where this information is available.

This list is current as of July 18, 2018 and CMS, in coordination with the NAIC, anticipates updating the information as further information becomes available.
