**SUBJECT: Rerunning the January Plan Payment Reports (PPRs) - INFORMATION**

This letter is to notify you that the Centers for Medicare & Medicaid Services (CMS) will be re-running the January PPRs.

The January report included both a Part D premium amount and a Prospective low-income subsidy (LIS) amount. While CMS is reimbursing you for the LIS in the January payment, no Part D premiums have been received from SSA to be paid to you. These latter amounts were inadvertently added to the report.

The net payment on the PPR includes both of these amounts; however the payment wired to your account will only include the LIS amount. To address this display issue and to correct the net payment amount to line up with the wired amount, these reports will be re-run. They will be sent out to you over the weekend of December 31, 2005.

If you have any additional questions or issues that you wish to discuss, please feel free to contact your Division of Enrollment and Payment Operations representative directly (per Appendix B in the Plan Communications User Guide).
