Frequently Asked Questions (FAQs) Guidance

- On May 4, 2020, the Centers for Medicare & Medicaid Services (CMS) will release the FAQs for FFE User Fee Adjustment Submission Requirements.
 - Available at: <https://www.regtap.info/> and then filter by: "User Fees"
 - Also available at: https://www.cms.gov/CCIIO/Resources/Fact-Sheets-and-FAQs#Premium_Stabilization_Programs.

Who is Eligible for the Contraceptive User Fee Adjustment?

- The Final Rules fund the payments for contraceptive services paid for on behalf of participants and beneficiaries in self-insured group health plans of eligible organizations through an adjustment to the FFE User Fee, payable by an issuer participating in the FFE.
 - In order to facilitate the FFE User Fee Adjustment, the Final Rules require information collection from applicable participating FFE Issuers and TPAs/PBMs.

Contraceptive Payment Arrangements

- An issuer may qualify for an adjustment of FFE user fees if the issuer made payments for contraceptive services on behalf of a TPA/PBM (45 Code of Federal Regulations [CFR] §156.50 (d)).
- If a TPA/PBM provides or arranges payments for contraceptive services, the costs of the payments may be reimbursed through an adjustment of FFE user fees for a participating issuer 26 CFR § 54.9815-2713A(b)(3)).

Administrative Cost Adjustment

- Issuers who receive an FFE user fee adjustment for payments for contraceptive services will also receive an **adjustment for administrative costs and margin** (45 CFR §156.50(d)(3)(ii)).

For the 2019 Benefit Year, the adjustment for administrative costs and margin is 15 percent.

User Fee Adjustment Overview: FFE Issuers

- Within 60 days of receiving an FFE user fee adjustment, a participating FFE issuer must pay each TPA/PBM for which the issuer receives an adjustment amount **no less than** the portion of the adjustment attributable to the dollar amount of the payments (45 CFR §156.50(d)(5)).
- No such payment is required with respect to the allowance for administrative costs and margin.
