Subject: Medicare Part C Reporting Requirements for 2021 Contract Year

The final 2021 Part C Reporting Requirements (CMS-10261; OMB control number: 0938-1054) are available at www.cms.gov/Medicare/Health-Plans/HealthPlansGenInfo/ReportingRequirements. The Office of Management and Budget has issued approval for the Part C Reporting Requirements through October 31, 2024. This approval permanently removes the Additional Telehealth Benefits reporting section. The updated technical specifications also contain new resource mailbox information for inquiries requesting additional clarification of the Part C Reporting Requirements.
