R/N/D	CHAPTER / SECTION / SUBSECTION / TITLE
N/A	N/A

III. FUNDING:

For Medicare Administrative Contractors (MACs):

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC Statement of Work. The contractor is not obligated to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

	issuance of this CR. At a minimum, a primary and a backup approver shall be trained as authorized operators. In accordance with CMS' instruction, these individuals will be required to use the EUA Front End Interface (EFI) system to submit a request for, and follow CMS' instructions to complete a Federal Background Investigation.										
12863.3	The MAC shall provide a secured area in accordance with the supplied environmental and physical controls required, as well as any supporting documentation. This shall be completed within the timeframe documented in the implementation plan that was provided in Business Requirement #1.										JN A/B MAC
12863.4	The MAC shall provide network support to install and segment the Mobile PIV station on a virtual network that is isolated from the secured MAC network, including implementing firewall rules to allow the station to communicate with Health and Human Services via CMSNET. This shall be completed within the timeframe documented in the implementation plan that was provided in Business Requirement #1.										JN A/B MAC
12863.5	The MAC shall provide ongoing configuration management and systems patching and support based on instructions from the CMS support contractor.										JN A/B MAC
12863.6	Until otherwise instructed, the MAC shall implement the Mobile PIV station to provide PIV cards to individuals assigned to the MAC contracts listed, who currently have or require a CMS Enterprise User Administration ID to perform their job functions and who are located within 50 miles. Non-local travel for the sole purpose of obtaining a PIV is not authorized.										JN A/B MAC
