III. FUNDING:

For Medicare Administrative Contractors (MACs):

The Medicare Administrative Contractor is hereby advised that this constitutes technical direction as defined in your contract. CMS does not construe this as a change to the MAC statement of Work. The contractor is not obliged to incur costs in excess of the amounts allotted in your contract unless and until specifically authorized by the Contracting Officer. If the contractor considers anything provided, as described above, to be outside the current scope of work, the contractor shall withhold performance on the part(s) in question and immediately notify the Contracting Officer, in writing or by e-mail, and request formal directions regarding continued performance requirements.

I. GENERAL INFORMATION

A. Background: The purpose of this Change Request (CR) is to provide the July 2015 Common Edits and Enhancements Module (CEM) edits for the Part A and Part B Medicare Administrative Contractors (A/B MACs) and the Common Electronic Data Interchange (CEDI) contractor. Additionally, this CR directs Shared Systems to appropriately update the CEM.

The change log worksheet tab contains only the changes made for this version.

Contractors and shared systems maintainers will use the attached edits spreadsheets as replacements for the previously issued edits spreadsheets. Contractors are not required to replicate work already done, but are only expected to use the updates to the spreadsheets to build upon their previous core deliverables.

B. Policy: The Administrative Simplification provisions of HIPAA require the Secretary of DHHS to adopt standard electronic transactions and code sets for administrative health care transactions. The Secretary may also modify these standards periodically.
