SUBJECT: South Carolina MMPs: Release of Final Contract Year 2022 Marketing Guidance

Attached to this memorandum is the final Contract Year (CY) 2022 Marketing Guidance for South Carolina Medicare-Medicaid Plans (MMPs) operating in the South Carolina capitated financial alignment model demonstration. CMS and South Carolina jointly updated the Marketing Guidance for South Carolina MMPs, in accordance with provisions of the Three-Way Contract.

CMS recently codified guidance contained in the Medicare Communications and Marketing Guidelines by integrating it with existing regulations.¹ Although the codified marketing and communications policies are not new policies, we updated the Marketing Guidance for South Carolina MMPs to accurately reference the applicable regulations, follow the section numbers and headings used in the regulations, and incorporate state-specific modifications.

The Marketing Guidance provides information only about those sections of the regulations that are not applicable to or that are clarified for MMPs in South Carolina. The Marketing Guidance is applicable to all South Carolina MMP marketing for CY 2022 benefits.

We will post the attached Marketing Guidance to the Medicare-Medicaid Coordination Office webpage at www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid-Coordination/Medicare-Medicaid-Coordination-Office/FinancialAlignmentInitiative/MMPInformationandGuidance/MMPMarketingInformationandResources, grouped alphabetically by state under the “State-Specific Information” heading.

For any questions about the contents of this memorandum, please contact your Contract Management Team or the Medicare-Medicaid Coordination Office at MMCOCapsModel@cms.hhs.gov.
