Introducing the National Training Centers

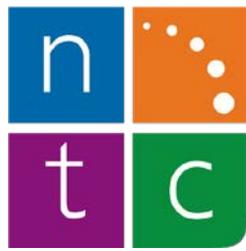

Family Planning
National Training Center
for Coordination and Strategic Initiatives

The National Training Center for Coordination and Strategic Initiatives (CSI):

- Development, implementation and monitoring of a coordinated performance management plan among the National Training Centers.
- Coordination among NTCs to effectively meet the training needs of the Title X network, address gaps in family planning service delivery, and build upon promising practices and lessons learned in the field.
- Develop, in partnership with OPA, national strategies to address emerging and high priority issues and populations to improve reproductive health outcomes for men, women, and adolescents.

New NTC Website!

The screenshot shows a web browser window displaying the homepage of the Family Planning National Training Centers (FPNTC). The browser's address bar shows the URL `fpntc.altaruminstitute.net`. The website features a navigation menu with links for Home, About Us, The Five NTCs, Training & Resources, and Calendar of Events. The main content area is divided into several sections: 'ABOUT US' with a paragraph about the reorganization of training resources; 'THE FIVE NTCs' listing five centers with their respective logos and brief descriptions; 'TRAINING & RESOURCES' featuring video and online course links; and 'CALENDAR OF EVENTS' listing upcoming events with dates and times. A large image of three people in a meeting is positioned above the 'THE FIVE NTCs' section. The browser's taskbar at the bottom shows several open applications, including Microsoft Office and a file explorer.
