I. Background

A. This matter arose from the Office for Civil Rights (OCR), U. S. Department of Health and Human Services (HHS) compliance review of the State of Nevada, Department of Human Resources, Division of Child and Family Services (DCFS). OCR conducted the review under its authority to enforce Title VI of the Civil Rights Act of 1964 and implementing regulation, 45 CFR Part 80 (Title VI), and the Multiethnic Placement Act of 1994, as amended by the Interethnic Adoption Provisions of the Small Business Job Protection Act of 1996 (MEPA/Section 1808). Title VI and MEPA/Section 1808 prohibit discrimination in adoption and foster care placements based on race, color, or national origin.

B. DCFS acknowledges it is a recipient of federal financial assistance from the U.S. Department of Health and Human Services (HHS) and, as such, it is subject to Title VI and MEPA/Section 1808.

C. The actions described herein fully address the issues raised in this review

D. DCFS accepts the terms stipulated in this Agreement and assures OCR it intends to act in full and complete compliance with Title VI and MEPA/Section 1808.

II. General Provisions

A. This Agreement shall become effective on the date it is signed by officials of DCFS and OCR. The Agreement will remain in effect until OCR has verified DCFS has implemented all actions specified in Section III of the Agreement.

B. DCFS acknowledges its continuing obligation to comply with any and all provisions of Title VI and MEPA/Section 1808.

C. Agreement by DCFS to take the steps set forth herein does not affect any other issues, reviews, or complaints of discrimination involving DCFS that may be pending before OCR or another Federal agency. Any other compliance matters arising subsequent to this Agreement shall be addressed and resolved separately in accordance with the procedures and standards in the regulations applicable to such matters.

D. DCFS shall not intimidate, threaten, coerce, or retaliate against any individual who has filed a complaint, testified, assisted, or participated in any manner in the investigation of this matter.

E. OCR may, at any time, review DCFS's compliance with the provisions of this Agreement in accordance with the Title VI regulatory provisions set forth at 45 CFR 80.6(b), (c). As part of such a review, OCR may require DCFS to provide written reports, and to permit OCR to inspect the premises, interview witnesses and examine and copy documents to determine if DCFS is complying with the provisions of the Agreement. DCFS agrees to retain the records required by OCR to assess its compliance with the Agreement and to submit any requested reports to OCR, as specified in Section IV of this Agreement.

F. This Agreement is an enforceable contract. The promises, obligations, or other terms and conditions set forth in this Agreement constitute the exchange of valuable consideration between OCR and DCFS.

G. If at any time OCR determines DCFS has failed to comply with any provision of this Agreement, OCR will promptly notify DCFS in writing. The notice shall include a statement of the basis for OCR’s decision and allow DCFS 15 days to explain in writing the reasons for its actions. The time frames allowed for DCFS's response may be less than 15 days whenever OCR determines a delay would result in irreparable injury to affected parties. If DCFS does not respond to the notice or, upon review of DCFS’s response, OCR finds DCFS has not complied with any provision of the Agreement, OCR may request the initiation of administrative or judicial enforcement proceedings to secure DCFS’s compliance with Title VI and MEPA/Section 1808. Evidence regarding DCFS's alleged violations of Title VI and MEPA/Section 1808, in addition to evidence regarding DCFS's alleged violation of the Agreement, may be introduced by OCR in any enforcement proceedings or other appropriate action that may be initiated. Violations of this Agreement may subject DCFS to sanctions set forth in the applicable regulation authorizing enforcement or other appropriate action.

H. This Agreement may be modified by mutual agreement of the parties in writing. The Agreement may be modified or invalidated in part or in whole in the event the statutes or regulations cited in Section I are amended, repealed, or rendered unenforceable by the action of any appropriate legislative, judicial, or administrative body with jurisdiction over the parties to this Agreement.

I. When OCR verifies DCFS has completed all actions contained in this Agreement, OCR will consider all matters related to this review resolved and so notify DCFS in writing.
