Describe the process and guidelines in place with regard to the retention and destruction of PII. Describe the process to notify and obtain consent from individuals whose PII is in the system when major changes are planned or when the system is terminated. Identify the number and title of the Privacy Act System of Records Notice (SORN) that is being used to cover the system or identify if a SORN is being developed. Does the system include a Website or online application available to and for the use of the general public? Is this a FISMA-Reportable system? Is this a new or existing system? Does the system include a Website or online application available to and for the use of the general public?
