INFORMAL BRIEF OF PETITIONER

The Inspector General (I.G.) argues that you may be excluded from participating in Medicare, Medicaid, and other federally-funded health care programs for at least three years, because you have been convicted of a crime that is described at section 1128(b)(3) of the Social Security Act.

The issues in this case are whether:

1. The I.G. is authorized to exclude you; and
2. The length of the exclusion that the I.G. determined to impose is reasonable.

I. Were you convicted of a misdemeanor criminal offense?

Yes No

The I.G. argues that you were convicted of a misdemeanor criminal offense. Do you agree that you were convicted of a misdemeanor criminal offense?

Yes No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

II. Were you convicted of an offense for which exclusion is authorized?

Do you disagree with the I.G.'s argument that you may be excluded because your conviction is of a misdemeanor relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance?

Yes No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

III. Is the length of your exclusion unreasonable? The I.G. argues that the length of the exclusion imposed is reasonable.

Do you believe that a mitigating factor or factors exist(s) that support(s) reducing the length of your exclusion (before answering this question read the list of potentially mitigating factors that is set forth at 42 C.F.R. § 1001.401(c)(3))?

Yes No

If you believe that a mitigating factor or factors exist(s), state what it is/they are and explain why the presence of the factor or factors should support reducing the length of your exclusion. State which exhibits support your argument(s) and explain why they do.

IV. Do you believe that an in-person hearing is necessary to decide your case?

Yes No

Do you have any testimony that you wish to offer at an in-person hearing?

Yes No

If you have testimony that you wish to offer provide the following:

1. The name of each witness whose testimony you want to offer.

2. A description of each witness' proposed testimony and an explanation of why you believe that the testimony relates to any of the arguments you want to offer in connection with items I, II, and III.

3. An explanation of why the proposed testimony does not duplicate something that is already stated in an exhibit.

V. Do you have any other arguments you wish to make? If so, please state them here. State which exhibits support your argument(s) and explain why they do.
