### **COMPLAINT**

Plaintiff brings this action against the U.S. Department of Health and Human Services
under the Freedom of Information Act, 5 U.S.C. § 552 ("FOIA"), and the Declaratory
Judgement Act, 28 U.S.C. §§ 2201 and 2202, seeking declaratory and injunctive relief to
compel compliance with the requirements of FOIA.

# **JURISDICTION AND VENUE**

- This Court has jurisdiction over this action pursuant to 5 U.S.C. § 552(a)(4)(B) and 28 U.S.C. §§ 1331, 2201, and 2202.
- 3. Venue is proper in this Court pursuant to 5 U.S.C. § 552(a)(4)(B) and 28 U.S.C. § 1391(e).

### **PARTIES**

4. Plaintiff Protect the Public's Trust ("PPT") is a nonprofit corporation dedicated to restoring public trust in government by promoting the fair and equal application of the rules and standards of ethical conduct to all public servants. Consistent with Justice Brandeis's

aphorism that "Sunlight is said to be the best of disinfectants; electric light the most efficient policeman," PPT seeks to promote transparency and broadly disseminate information so that the American people can evaluate the integrity and ethical conduct of those who act in their name. Louis Brandeis, OTHER PEOPLE'S MONEY AND HOW BANKERS USE IT (1914), https://louisville.edu/law/library/special-collections/the-louis-d.-brandeis-collection/other-peoples-money-chapter-y.

5. Defendant U.S. Department of Health and Human Services ("HHS" or the "Department") is a federal agency within the meaning of FOIA, 5 U.S.C. § 552(f)(1). The Department has possession, custody, and control of records responsive to Plaintiff's FOIA request.

### **STATEMENT OF FACTS**

- 6. On February 10, 2023, PPT submitted a FOIA request (the "Request) (attached as ExhibitA) seeking the following records from the Department:
  - 1. From April 20, 2021, to August 12, 2021, records of communications between the HHS officials and White House officials identified below regarding Dr. Rick Bright, his whistleblower complaint, and the settlement of that complaint.

**HHS Officials** 

- a) Officials in the Office of the General Counsel
- b) Officials in the Office of the Secretary

White House Officials

- a) Officials in the White House Counsel's Office
- b) Anita Dunn
- 7. As Attorney General Garland has made clear, FOIA is "a vital tool for ensuring transparency, accessibility, and accountability in government" whose "basic purpose . . . is to ensure an informed citizenry," which is 'vital to the functioning of a democratic society [and] needed to check against corruption and to hold the governors accountable to the governed." Merrick Garland, Memorandum for Heads of Executive Departments and

- Agencies: Freedom of Information Act Guidelines 1 (Mar. 15, 2022), <a href="https://www.justice.gov/ag/page/file/1483516/download">https://www.justice.gov/ag/page/file/1483516/download</a> (quoting NLRB v. Robbins Tire & Rubber Co, 437 U.S. 214, 242 (1978)) ("Garland Memo").
- 8. The release of these documents is in the public interest for the following reasons: 1) the subject of the Request concerns the operations and activities of the government; 2) disclosure is likely to contribute to the public's understanding of government operations and activities because it would allow PPT to convey information to the public about communications between HHS and White House officials regarding Dr. Bright's whistle-blower complaint; 3) PPT's synthesis and dissemination of disclosed documents would contribute to a broad audience of interested person's understanding of the ethics waivers, impartiality decisions, and whistleblower decisions of HHS and the White House; and 4) disclosure is likely to contribute significantly to public understanding of government operations or activities because the requested documents are certain to shed light on HHS's compliance with its own mission and responsibilities.
- On February 13, 2023, the Department acknowledged receipt of PPT's request via email, assigning the Request the case number 2023-00462-FOIA-OS.
- 10. On February 16, 2023, the Department sent PPT an email stating that the Request's status had been updated to "On Hold Need Info/Clarification." The Department's email did not state what information the Department required to process the Request.
- 11. On February 22, 2023, PPT responded to the Department's email, noting that the Department's email did not have an accompanying letter stating what the Department required to continue the search process.

- 12. On March 1, 2023, the Department responded to PPT's email with an email containing a clarification letter as an attachment. The letter attached to the Department's email was dated February 16, 2023. It stated that the Department required further information from PPT to process the Request: "[Y]ou have not described the records with enough specificity to allow us to continue with processing your request. Specifically, the HHS individuals involved including the author and/or recipient of the correspondence." *Id.* (emphasis in the original). The letter explained that the Department could not run its records search without this information due to the Department's technological constraints.
- 13. On March 14, 2023, PPT replied to the Department's email from March 1, 2023, by sending a list of the following individuals to help facilitate the Department's search process:

Samuel Bagenstos, General counsel

Dana Remus

Xavier Becerra

Sean McCluskie, Chief of Staff

Peter Rechter, Senior Counsel

Special Counsel to the General Counsel, Joel McElvain

Principal Deputy General Counsel, Daniel J. Barry

Deputy General Counsel, Mark Greenberg

Deputy General Counsel, Paul Rodriguez

Deputy General Counsel, Sean Keveney

Deputy General Counsel, Katlin McKelvie Backfield

Dawn O'Connell Assistant Secretary for Preparedness and Response

Nikki Bratcher-Bowman, Principal Deputy Assistant Secretary and Chief Operating Officer

Senior Counsel, Tara Ganapathy

Kathryn Alvarez, Chief of Staff

White House Counsel's Office, Alicia O'Brien, Senior Counsel

14. On March 17, 2023, the Department acknowledged receipt of this information. Later the same day, the Department sent an additional email accompanied by an acknowledgment letter.

- 15. The Department's acknowledgement letter stated that the Department required additional time to process the Request:
  - Because you seek records which require a search in another office, 'unusual circumstances apply to your request, automatically extending the time limit to respond to your request for ten additional days. See 5 U.S.C. 552 § (a)(6)(B)(i)-(iii) (2012 & Supp. V. 2017). Further, we estimate needing more than 10 additional days to respond to your request . . . .
- 16. On May 4, 2023, after waiting over 45 days for any response from the Department, PPT sent an email to the Department asking for an update on the Request. The Department never replied to this email.
- 17. To date, PPT has received neither a further response nor any other communication from the Department regarding the Request. The Department's last communication with PPT was its March 17, 2023, email containing the acknowledgement letter.
- 18. As the Garland Memo makes clear, "Timely disclosure of records is also essential to the core purpose of FOIA." Garland Memo at 3.
- 19. As the record described above indicates, over 140 days have elapsed since the Department acknowledged receipt of the Request, and over 115 days have elapsed since the Department acknowledged receipt of the clarifications it purportedly required to process the Request, yet the Department still has not determined whether it will comply with the Request. See Citizens for Responsibility and Ethics in Washington v. FEC, 711 F.3d 180 (D.C. Cir. 2013). The Department has not produced responsive documents to PPT, has not communicated to PPT the scope of the documents it intends to produce and withhold, along with the reasons for such withholding, and has not informed Plaintiff of its ability to appeal any adverse portion of its determination.

- 20. Given these facts, it appears that the Department has not and does not intend to meet its statutory obligations to provide the requested records absent litigation.
- 21. Through the Department's failure to make a determination within the time period required by law, PPT has constructively exhausted its administrative remedies and seeks immediate judicial review.

#### COUNT I

# Violation of FOIA, 5 U.S.C. § 552 Wrongful Withholding of Non-Exempt Responsive Records

- 22. PPT repeats and incorporates by reference each of the foregoing paragraphs as if fully set forth herein.
- 23. PPT properly submitted a request for records within the possession, custody, and control of the Department.
- 24. The Department is an agency subject to FOIA, and therefore has an obligation to release any non-exempt records and provide a lawful reason for withholding any materials in response to a proper FOIA request.
- 25. The Department is wrongfully withholding non-exempt agency records requested by PPT by failing to produce non-exempt records responsive to its request.
- 26. The Department's failure to provide all non-exempt responsive records violates FOIA.
- 27. Plaintiff PPT is therefore entitled to declaratory and injunctive relief requiring Defendant to promptly produce all non-exempt records responsive to its FOIA request and provide an index justifying the withholding of any responsive records withheld under claim of exemption.

### REQUESTED RELIEF

Protect the Public's Trust respectfully requests this Court:

Case 1:23-cv-02033-RC Document 1 Filed 07/14/23 Page 7 of 7

(1) Assume jurisdiction in this matter and maintain jurisdiction until Defendant complies

with the requirements of FOIA and any and all orders of this Court.

(2) Order Defendant to produce, within ten days of the Court's order, or by other such date

as the Court deems appropriate, any and all non-exempt records responsive to PPT's

FOIA request and an index justifying the withholding of all or part of any responsive

records withheld under claim of exemption.

(3) Award PPT the costs of this proceeding, including reasonable attorney's fees and other

litigation costs reasonably incurred in this action, pursuant to 5 U.S.C. § 552(a)(4)(E).

(4) Grant PPT other such relief as the Court deems just and proper.

Re: Communications regarding Rick Bright

Dear FOIA Officer,

This is a request under the Freedom of Information Act, 5 U.S.C. § 552, as amended (FOIA), from the Protect the Public's Trust (PPT), a nonpartisan organization dedicated to promoting ethics in government and restoring the public's trust in government officials. In August 2021 news reports revealed "Rick Bright, the virologist who claimed the Trump administration retaliated against him [in 2020] by ousting him from his job, has settled his whistle-blower complaint against the federal government and will receive back pay and compensation." While officials at the Department of Health and Human Services publicly "denied any wrougdoing," the White House took the unusual step of "praising" Dr. Bright, an adversary in an action against the government, when confirming the settlement.

#### Records Requested

PPT requests the following records from the U.S. Department of Health and Human Services (HHS):

 From April 20, 2021, to August 12, 2021, records of communications between the HHS officials and White House officials identified below regarding Dr. Rick Bright, his whistleblower complaint, and the settlement of that complaint.

HHS officials

- a) Officials in the Office of the General Counsel
- b) Officials in the Office of the Secretary

White House officials

- a) Officials in the White House Counsel's Office
- b) Anita Dunn

.

<sup>&</sup>lt;sup>1</sup> https://www.nytimes.com/2021/08/09/us/politics/rick-bright-whistleblower.html

The term "records" includes emails (with attachments) but also refers to other documents and items, such as text messages; invitations, communications, and chats from meeting applications such as Zoom and Microsoft Teams; encrypted apps such as Signal, WhatsApp, Wikr Me, and others; phone records; as well as communications on collaboration platforms such as Slack.

Under the FOIA Improvement Act of 2016, agencies are prohibited from denying requests for information under the FOIA unless the agency reasonably believes release of the information will harm an interest that is protected by the exemption. FOIA Improvement Act of 2016 (Public Law No. 114-185), codified at 5 U.S.C. § 552(a)(8)(A).

Should you decide to invoke a FOIA exemption, please include sufficient information for us to assess the basis for the exemption, including any interest(s) that would be harmed by release. Please include a detailed ledger which includes:

- 1. Basic factual material about each withheld record, including the originator, date, length, general subject matter, and location of each item; and
- 2. Complete explanations and justifications for the withholding, including the specific exemption(s) under which the record (or portion thereof) was withheld and a full explanation of how each exemption applies to the withheld material. Such statements will be helpful in deciding whether to appeal an adverse determination. Your written justification may help to avoid litigation.

If you determine that portions of the records requested are exempt from disclosure, we request that you segregate the exempt portions and mail the non-exempt portions of such records to my attention at the address below within the statutory time limit. 5 U.S.C. § 552(b).

PPT is willing to receive records on a rolling basis.

To facilitate this request, we request that the FOIA office use the Agency's enterprise records management system to search and process this request.

Finally, FOIA's "frequently requested record" provision was enacted as part of the 1996 Electronic Freedom of Information Act Amendments and requires all federal agencies to give "reading room" treatment to any FOIA-processed records that, "because of the nature of their subject matter, the agency determines have become the subject of subsequent requests for substantially the same records." 5 U.S.C.§552(a)(2)(D)(ii)(1). Also, enacted as part of the 2016 FOIA Improvement Act, FOIA's Rule of 3 requires all federal agencies to proactively "make available for public inspection in an electronic format" "copies of records, regardless of form or format ... that have been released to any person ... and ... that have been requested 3 or more times." 5 U.S.C.§552(a)(2)(D)(ii)(I).

Therefore, we respectfully request that you make available online any records that the agency determines will become the subject of subsequent requests for substantially the same records, and records that have been requested three or more times.

#### Format of Requested Records

Under FOIA, you are obligated to provide records in a readily accessible electronic format and in the format requested. See, e.g., 5 U.S.C. § 552(a)(3)(B) ("In making any record available to a person under this paragraph, an agency shall provide the record in any form or format requested by the person if the record is readily reproducible by the agency in that form or format."). "Readily accessible" means text-searchable and OCR-formatted. See 5 U.S.C. § 552(a)(3)(B). We ask that you please provide all records in an electronic format. Additionally, please provide the records either in (1) load-ready format with a CSV file index or Excel spreadsbeet, or; (2) for files that are in .PDF format, without any "portfolios" or "embedded files." Portfolios and embedded files within files are not readily accessible. Please do not provide the records in a single, or "batcbed," .PDF file. We appreciate the inclusion of an index.

If you should seek to withhold or redact any responsive records, we request that you: (1) identify each such record with specificity (including date, author, recipient, and parties copied); (2) explain in full the basis for withholding responsive material; and (3) provide all segregable portions of the records for which you claim a specific exemption. 5 U.S.C. § 552(b). Please correlate any redactions with specific exemptions under FOIA.

# Fee Waiver Request

FOIA was designed to provide citizens a broad right to access government records. FOIA's basic purpose is to "open agency action to the light of public scrutiny," with a focus on the public's "right to be informed about what their government is up to." U.S. Dep't of Justice v. Reporters Comm. for Freedom of Press, 489 U.S. 749, 773-74 (1989) (internal quotation and citations omitted). In order to provide public access to this information, FOIA's fee waiver provision requires that "[d]ocuments shall be furnished without any charge or at a [reduced] charge," if the request satisfies the standard. 5 U.S.C. § 552(a)(4)(A)(iii). FOIA's fee waiver requirement is "liberally construed." Judicial Watch, Inc. v. Rossotti, 326 F.3d 1309, 1310 (D.C. Cir. 2003); Forest Guardians v. U.S. Dept. of Interior, 416 F.3d 1173, 1178 (10th Cir. 2005).

The 1986 fee waiver amendments were designed specifically to provide organizations access to government records without the payment of fees. Indeed, FOIA's fee waiver provision was intended "to prevent government agencies from using high fees to discourage certain types of requesters and requests," which are "consistently associated with requests from journalists, scholars, and non-profit public interest groups." Ettlinger v. FBI, 596 F.Supp. 867, 872 (D. Mass. 1984) (emphasis added). As one Senator stated, "[a] gencies should not be allowed to use fees as an offensive weapon against requesters

seeking access to Government information ...." 132 Cong. Rec. S. 14298 (statement of Senator Leahy).

#### I. PPT Qualifies for a Fee Waiver.

Under FOIA, a party is entitled to a fee waiver when "disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the [Federal] government and is not primarily in the commercial interest of the requester." 5 U.S.C. § 552(a)(4)(A)(iii). The HHS FOIA regulations at 45 CFR § 5.54(b) establish the same standard.

Thus, HHS must consider four factors to determine whether a request is in the public interest: (1) whether the subject of the requested records concerns "the operations or activities of the Federal government," (2) whether the disclosure is "likely to contribute" to an understanding of government operations or activities, (3) whether the disclosure "will contribute to public understanding" of a reasonably broad audience of persons interested in the subject, and (4) whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities. 45 CFR § 5.54(b). As shown below, PPT meets each of these factors.

# A. The Subject of This Request Concerns "The Operations and Activities of the Government."

The subject matter of this request concerns the operations and activities of the HIIS. This request asks for: records of communications regarding Dr. Rick Bright, his whistleblower complaint, and its settlement.

B. Disclosure is "Likely to Contribute" to an Understanding of Government Operations or Activities.

The requested records are meaningfully informative about government operations or activities and will contribute to an increased understanding of those operations and activities by the public. Disclosure of the requested records will allow PPT to convey to the public information about the communications between HHS and White House officials regarding Dr. Rick Bright's whistleblower complaint.

After disclosing the requested records, PPT will inform the public about their findings in order to ensure decisions are being made consistently with the law. Once the information is made available, PPT will analyze it and present it to its followers and the general public in a manner that will meaningfully enhance the public's understanding of this topic.

Thus, the requested records are likely to contribute to an understanding of HHS operations and activities.

C. Disclosure of the Requested Records Will Contribute to a Reasonably Broad Audience of Interested Persons' Understanding of Operations at the Department of Health and Human Services.

The requested records will contribute to public understanding of operations at the Department of Health and Human Services. As explained above, the records will contribute to public understanding of this topic.

Dr. Rick Bright, the former director of the Biomedical Advanced Research and Development Authority, filed a whistleblower complaint in late April of 2020. His complaint came shortly after his transfer to a "less impactful position" at the National Institutes of Health. Bright claimed the demotion was because of his reluctance to promote the use of drugs such as hydroxychloroquine to treat COVID-19. The requested records will allow PPT to convey to the public conversations within the Biden Administration, which made it a point to reverse the legacy of its predecessor. Additionally, these records will shed light on the conversations that occurred between HHS officials and White House officials regarding Mr. Bright's 2020 whistlehlower complaint. See W. Watersheds Proj. v. Brown, 318 F. Supp. 2d 1036, 1040 (D. Idaho 2004) ("... find[ing] that WWP adequately specified the public interest to be served, that is, educating the public about the ecological conditions of the land managed by the BLM and also how ... management strategies employed by the BLM may adversely affect the environment.").

Through PPT's synthesis and dissemination (by means discussed in Section II, below), disclosure of information contained and gleaned from the requested records will contribute to a broad audience of persons who are interested in the subject matter. Ettlinger v. FBI, 596 F.Supp. at 876 (benefit to a population group of some size distinct from the requester alone is sufficient); Carney v. Dep't of Justice, 19 F.3d 807, 815 (2d Cir. 1994), cert. denied, 513 U.S. 823 (1994) (applying "public" to require a sufficient "breadth of benefit" beyond the requester's own interests); Cmty. Legal Servs. v. Dep't of Hous. & Urban Dev., 405 F.Supp.2d 553, 557 (E.D. Pa. 2005) (in granting fee waiver to community legal group, court noted that while the requester's "work by its nature is unlikely to reach a very general audience," "there is a segment of the public that is interested in its work").

Indeed, the public does not currently have an ability to easily evaluate the requested records, which concern communications between HHS officials and White House officials. We are also unaware of any previous release to the public of these or similar records. See *Cmty. Legal Servs. v. HUD*, 405 F.Supp.2d 553, 560 (D. Pa. 2005) (because

<sup>&</sup>lt;sup>2</sup> https://www.nytimes.com/2021/08/09/us/politics/rick-bright-whistleblower.html

<sup>&</sup>lt;sup>3</sup> https://www.politico.com/news/2020/10/06/hhs-whistleblower-rick-bright-resigns-426895

<sup>4</sup> https://www.cnn.com/2021/01/20/politics/executive-actions-biden/index.html

requested records "clarify important facts" about agency policy, "the CLS request would likely shed hight on information that is new to the interested public."). As the Ninth Circuit observed in *McClellan Ecological Seepage Situation v. Carlucci*, 835 F.2d 1282, 1286 (9th Cir. 1987), "[FOIA] legislative history suggests that information [has more potential to contribute to public understanding] to the degree that the information is new and supports public oversight of agency operations...."

Disclosure of these records is not only "likely to contribute," but is certain to contribute, to public understanding of the communications regarding Rick Bright's whistleblower complaint. The public is always well served when it knows how the government conducts its activities. Hence, there can be no dispute that disclosure of the requested records to the public will educate the public about the ethics waivers and impartiality decisions issued to those charged with running HHS.

D. Disclosure is Likely to Contribute Significantly to Public Understanding of Government Operations or Activities.

PPT is not requesting these records merely for their intrinsic informational value. Disclosure of the requested records will significantly enhance the public's understanding of the operations and activities at HHS as compared to the level of understanding prior to disclosure. Indeed, public understanding will be significantly increased as a result of disclosure.

The records are also certain to shed light on HHS's compliance with its own mission and responsibilities. Such public oversight of agency action is vital to our democratic system and clearly envisioned by the drafters of the FOIA. Thus, PPT meets this factor as well.

II. PPT Has the Ability to Disseminate the Requested Information Broadly.

PPT is a nonpartisan organization that informs, educates, and counsels the public about the importance of government officials acting consistently with their ethics obligations. A key component of being able to fulfill this mission and educate the public about these duties is access to the requested communications. PPT intends to publish information from requested records on its website, distribute the records and expert analysis to its followers through social media channels including Twitter, Facebook, and other similar platforms. PPT also has a robust network of reporters, bloggers, and media publications interested in its content and that have durable relationships with the organization. PPT intends to use any or all of these far-reaching media outlets to share with the public information obtained as a result of this request.

Through these means, PPT will ensure: (1) that the information requested contributes significantly to the public's understanding of the government's operations or activities; (2) that the information enhances the public's understanding to a greater degree than currently exists; (3) that PPT possesses the expertise to explain the requested information

to the public; (4) that PPT possesses the ability to disseminate the requested information to the general public; (5) and that the news media recognizes PPT as a reliable source in the field of government ethics and conduct.

Public oversight and enhanced understanding of HHS's duties is absolutely necessary. In determining whether disclosure of requested information will contribute significantly to public understanding, a guiding test is whether the requester will disseminate the information to a reasonably broad audience of persons interested in the subject. Carney v U.S. Dept. of Justice, 19 F.3d 807 (2nd Cir. 1994). PPT need not show how it intends to distribute the information, because "[n]othing in FOIA, the [agency] regulation, or our case law require[s] such pointless specificity." Judicial Watch, 326 F.3d at 1314. It is sufficient for PPT to show how it distributes information to the public generally. Id.

# III. Obtaining the Requested Records is of No Commercial Interest to PPT.

Access to government records, disclosure forms, and similar materials through FOIA requests is essential to PPT's role of educating the general public. PPT is a nonpartisan organization with supporters and members of the public who seek a transparent, ethical and impartial government that makes decisions in the best interests of all Americans, not former employers and special interests. PPT has no commercial interest and will realize no commercial benefit from the release of the requested records.

#### IV. Conclusion

For all of the foregoing reasons, PPT qualifies for a full fee waiver. We hope that HHS will immediately grant this fee waiver request and begin to search and disclose the requested records without any unnecessary delays.

# INSTRUCTIONS FOR COMPLETING CIVIL COVER SHEET JS-44 Authority for Civil Cover Sheet

The JS-44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and services of pleadings or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. Listed below are tips for completing the civil cover sheet. These tips coincide with the Roman Numerals on the cover sheet.

- 1. COUNTY OF RESIDENCE OF FIRST LISTED PLAINTIPF/DEFENDANT (b) County of residence: Use 11001 to indicate plaintiff if resident of Washington, DC, 88888 if plaintiff is resident of United States but not Washington, DC, and 99999 if plaintiff is outside the United States.
- III. CITIZENSHIP OF PRINCIPAL PARTIES: This section is completed only if diversity of citizenship was selected as the Basis of Jurisdiction under Section II.
- IV. CASE ASSIGNMENT AND NATURE OF SUIT: The assignment of a judge to your case will depend on the category you select that best represents the <u>primary</u> cause of action found in your complaint. You may select only <u>one</u> category. You <u>must</u> also select <u>one</u> corresponding nature of suit found under the category of the case.
- VI. CAUSE OF ACTION: Cite the U.S. Civil Statute under which you are filing and write a brief statement of the primary cause.
- VIII. RELATED CASE(S), IF ANY: If you indicated that there is a related case, you must complete a related case form, which may be obtained from the Clerk's Office.

Because of the need for accurate and complete information, you should ensure the accuracy of the information provided prior to signing the form.
