

Sign Up for the OCR Privacy & Security Listserv

Want to learn more about the HIPAA Privacy & Security Rules?

OCR has established a listserv to inform the public about health information privacy and security FAQs, guidance, and technical assistance materials. We encourage you to sign up and stay informed!

This will be an announcement listserv only, so we will be unable to distribute or directly respond to any feedback you provide.

Visit the [OCR-PRIVACY-LIST](#) for a summary of archived announcements
