Is PII collected by the OPDIV from the third-party Website or application?
Yes

Will the third-party Website or application make PII available to the OPDIV?
No

Describe the PII that will be collected by the OPDIV from the third-party Website or application and/or the PII which the public could make available to the OPDIV through the use of the third-party Website or application and the intended or expected use of the PII:
Depending on the survey, the following OS Data Guardian Program and Management Training staff's personal identifiable information (PII) may be compiled: Officer's (Survey Monkey account holder) name, rank, phone number, and email address.

Describe the type of PII from the third-party Website or application that will be shared, with whom the PII will be shared, and the purpose of the information sharing:
PII is only used within the Office for OS Data Guardian Program and Management Training. There is no plan to share PII.

If PII is shared, how are the risks of sharing PII mitigated?
PII will not be shared outside the Office for OS Data Guardian Program and Training Management.

Will the PII from the third-party website or application be maintained by the OPDIV?
Yes

Describe how PII that is used or maintained will be secured:
PII is only maintained by team members of OS Data Guardian Program and Training Management Office. It is stored on the user's (account creator's) Government Furnished Equipment (GFE).

What other privacy risks exist and how will they be mitigated?
No PII information is captured or shared from the survey respondents, other than the Survey Monkey account creator's information as previously stated. This Branch intends to check all privacy settings in Survey Monkey, so the respondents' PII is not captured. All surveys are anonymous, meaning the identity of the person responding is not captured or discoverable by the Survey Monkey account holder. I am not aware of any other privacy risks.
