US Department of Health and Human Service
Third Party Websites and Applications Privacy Impact Assessment

Date Signed:
August 17, 2017

OPDIV:
OS

Name:
OS/Flickr/HHSgov

TPWA Unique Identifier:
T-2851341-503745

Is this a new TPWA?
No

Please provide the reason for revision.
Flickr required a more recent update to the existing Third Party Web Application (TPWA) to introduce new photos taken at HHS Secretarial events for employees.

Will the use of a third-party Website or application create a new or modify an existing HHS/OPDIV System of Records Notice (SORN) under the Privacy Act?
No

If SORN is not yet published, identify plans to put one in place.
N/A

Will the use of a third-party Website or application create an information collection subject to OMB clearance under the Paperwork Reduction Act (PRA)?
No

Indicate the OMB approval number expiration date (or describe the plans to obtain OMB clearance).
Expiration Date: 1/1/01 12:00 AM

Describe the plans to obtain OMB clearance.
Explanation: N/A

Does the third-party Website or application contain Federal Records?
No

Describe the specific purpose for the OPDIV use of the third-party Website or application:
This site provides a library of photos taken at HHS Secretarial events for employees and members of the public to view and/or download.

Have the third-party privacy policies been reviewed to evaluate any risks and to determine whether the Website or application is appropriate for OPDIV use?
Yes

Describe alternative means by which the public can obtain comparable information or services if they choose not to use the third-party Website or application:
They can contact the HHS press office and request to have photos emailed to them.

Do the third-party Website or application have appropriate branding to distinguish the OPDIV activities from those of nongovernmental actors?
   Yes

How does the public navigate to the third party Website or application from the OPIDIV?
   Incorporated or embedded on HHS Website

Please describe how the public navigate to the thirdparty website or application:
   The public can navigate to the following URL address: https://www.flickr.com/photos/hhsgov/

If the public navigate to the third-party website or application via an external hyperlink, is there an alert to notify the public that they are being directed to anongovernmental Website?
   No

Has the OPDIV Privacy Policy been updated to describe the use of a third-party Website or application?
   Yes

Provide a hyperlink to the OPDIV Privacy Policy:
   [www.hhs.gov/privacy.html](http://www.hhs.gov/privacy.html)

Is an OPDIV Privacy Notice posted on the third-part website or application?
   No

Is PII collected by the OPDIV from the third-party Website or application?
   No

Will the third-party Website or application make PII available to the OPDIV?
   No

Describe the PII that will be collected by the OPDIV from the third-party Website or application and/or the PII which the public could make available to the OPDIV through the use of the third-party Website or application and the intended or expected use of the PII:
   No personally identifiable information (PII) will be collected by the Operating Division (OPDIV) from the third-party website.

Describe the type of PII from the third-party Website or application that will be shared, with whom the PII will be shared, and the purpose of the information sharing:
   No PII will be collected or shared by the OPDIV from the third-party website.

If PII is shared, how are the risks of sharing PII mitigated?
   No PII will be collected or shared by the OPDIV from the third-party website.

Will the PII from the third-party website or application be maintained by the OPDIV?
   No

Describe how PII that is used or maintained will be secured:
   No PII is used or maintained from the third-party website.

What other privacy risks exist and how will they be mitigated?
   There are no other privacy risks for the third-party website. Digital Communication Division (DCD) Privacy statement is accessible publicly for viewing at the footer of the page.
